From the Collector of Bellary, No.Nil. dated 16-8-46.

Ref: Rc.18/46 dated 24-1-46 from the Special Officer, Thungabhadra Project, Bellary.

In his letter noted above, a copy of which is herewith enclosed, the special officer, Thungabhadra Project, Bellary suggests that the Special Deputy Tahsildars appointed in connection with the acquisition of lands in the Hospet and Hadagalli Taluks, may be empowered to exercise the power of independent Deputy Tahsildars in the matter of bringing the Revenue Registry up to date whenever considered necessary. The enquiries are prolonged and acquisition work is delayed in many cases, where the actual owner in enjoyment of the land is different from the registered pattadar. Such practical difficulties may be avoide if the special Deputy Tahsildars are empowered to exercise the power of independent Deputy Tahsildars in the matter of Revenue Registry. So I request the Board to approve the above suggestion subject to the following conditions.

(a) The jurisdiction of the special Deputy Tahsildars may only extent to those cases which are actually connected with the land acquisition involved in Thungabhadra Project.

(b) The special Deputy Tahsildars should submit all closed files at the end of each month with a return showing the number of applications, received, number disposed of an number pending.

(c) The register may be maintained in T.M.No.6 form, for each fasli. It should be submitted for check during the Jamabandi.

(d) At the end of the fasli the register should be handed over to the Taluk Office.

Land Acquisition - Thungabhadra Project - Submergible area Hospect and Hadagalli taluks - Revenue Registry - Bringing up to date - empowering Special Deputy Tahsildars suggested.

Ref:- Special Deputy Collector's No.12/46 dated 14-1-46.

I enclose a copy of the Special Deputy Collector's referenc quoted above and in the circumstances reported by him, I would

suggest

suggest that the Special Deputy Tahsildars appointed in connection with the acquisition of lands in the Hospet and Hadagalli taluks, be empowered to exercise the power of independent Deputy Tahsildar; in the matter of bring the Revenue Registry upto date whenever con: dered necessary.

Copy of Special Deputy Collector's Ref.12/46 dated 17-1-46 to the Special Officer, T.B. Project, Bellary.

During the course of enquiry the Special Deputy Tahsildars appointed for acquisition of lands in connection with the Tungabhadra Scheme may find the Registry not in accordance with the enjoyment on ground. The actual owner of the land has to be enquired at every stage. Unless the registry is in accordance with the enjoyment on ground, it will be difficult for the special staff to proceed with the enquiry work. It will also be difficult at every stage to direct the karnam to prepare the enjoyment list and get them approved by the Tahsildar. There may be numerous cases of this sort in the several villages involved in th Tungabhadra Project and it may increase the work of the Tahsildar to a great extent, not to speak of the enormous delay that will be caused. With a view to get through the work speedily, I submit that the Collector may be addressed to empower all the Special Deputy Tahsildars appointed in connection with the Tungabhadra Project to exercise all the powers of an independent Deputy Tahsildar so far as the Revenue Registry is concerned.
